Bondadot Adhesive Sheet

NEW

Bondadot is a great way to enhance paper, card and textile work. The sheet consists of small dots of fabric glue which are washable. Create your design by cutting out the shape required from the Bondadot sheet. Place the design, glue dot side down onto your fabric and iron on. Immediately peel off

backing paper. The dots are now ready for you to add glitter, foils or flocks. Place or sprinkle them into the desired location, cover with baking parchment and iron on a medium setting. Once cool remove excess material used (foil, glitter etc) and the piece is now fixed.

218444 A4 (210 x 297mm) sheets pack of 4 £3.25
217445 1m x 60cm roll each £5.99

Bead & Fabric Glue

Our best selling fabric glue! Bonds fabric to glass, vinyl, metal and leather. Touch dry after 1 to 2 hours but allow 24 hours to dry completely. Dries transparent. Non-toxic and non-flammable. 125ml.

Trim It Glue

Fixes beads, sequins, toy eyes, pom-poms and much more to fabrics. Dries clear and can be machine washed at low temperatures. Leave to dry fully for 24 hours before washing. Suitable for most fabrics. Safe and non-toxic. 60ml.

159939 each £4.50
157957 pack of 12 £30.39

No-Sew Fabric Glue

No pins or tacking needed. Apply to both surfaces that you wish to join and leave until tacky before pressing fabrics together. Wait 24 hours to dry or iron for a permanent bond. Will glue most fabrics. 60ml.

N.B. It can also seep through fabrics so make sure you put a card under the fabric or between fabric layers until tacky.

157914 each £2.28
220307 pack of 12 £24.15

Supermend Fabric Bonding Powder

A simple to use non-messy fabric bonding powder suitable for repairing rips and tears and bonding almost any type of fabric. Apply as dry powder and iron or heat press to bond permanently.
